

Brockman House Inc Strategic Plan 2025–2028

Our Vision:

A healthy, inclusive and empowered community

Our Mission: To provide support and services to individuals and families in a way that fosters self-sufficiency, empowers them to meet their needs and aspirations and promotes stronger connections within their community.

Our Values: We are committed to building meaningful and respectful relationships with individuals, families, staff and the Management Committee. We promote trust, collaboration, cultural awareness and we support both personal and professional growth. We provide a welcoming, secure, sustainable and accessible environment for the community, fostering empowerment and inclusion.

Our Child Safe Commitment: Brockman House is committed to being a child-safe organisation, where children feel secure, respected, happy and empowered to reach their full potential.

Goals and Strategies

Community Engagement

Strengthen community connection, participation and inclusivity.

- Increase opportunities to celebrate cultural diversity and promote cultural awareness.
- Raise our profile in the community through initiatives, improved accessibility and ongoing consultation.
- Establish new partnerships and collaborations to enhance access to support services and maximise resource sharing.

Organisational Culture

Promote a positive, professional and collaborative working environment.

- Invest in workplace culture and professionalism through professional development and team building initiatives.
- Develop confident and knowledgeable leaders across all service areas.
- Develop staff and volunteer mentoring programs to foster a supportive learning culture.

Environments & Sustainability

Provide safe, sustainable & adaptable spaces that support current & evolving community needs.

- Educate and engage the community in sustainability practices through workshops and events.
- Promote waste reduction and environmental responsibility across all services.
- Complete the alteration and extension of the indoor and outdoor community spaces to increase service capacity.

Financial Management

Ensure the financial sustainability and growth of Brockman House.

- Maintain existing funding while pursuing and securing diverse income sources to support long-term sustainability.
- Increase fundraising efforts and pursue donations to generate essential income.

Health & Wellbeing

Support and enhance the overall wellbeing of the community.

- Promote healthy eating, physical activity and mental health awareness.
- Provide accessible health and wellbeing programs, services and activities.
- Strengthen support, resources and connections to essential services for vulnerable individuals and families.

Marketing & Communications

Enhance Brockman House's visibility and engagement through effective communication.

- Develop and maintain an accessible, secure, and user-friendly website.
- Streamline and design professional marketing and promotional materials.
- Maintain an active presence in the community to promote and market services.
- Develop and implement a Marketing Plan.
